

THE COMPLETE WINTER PREPAREDNESS CHECKLIST

Winter driving can create unpredictable conditions for professional truck drivers. Freezing temperatures, snow, ice, poor visibility, mechanical problems, and road closures can quickly turn a routine trip into an emergency.

Having the right equipment before you need it can make a significant difference. Use this checklist to inspect your truck and emergency supplies before heading into winter weather.

Survival	High Visibility & Roadside Safety
☐ Warm Clothing & Blankets	☐ Warning Triangles
☐ Food & Water	☐ Flashlight
☐ First Aid Kit	☐ Headlamp
☐ Hand Warmers	☐ Spare Batteries
☐ Emergency Blankets	☐ High-Visibility Gear
☐ Gloves	☐ Phone & Backup Power Bank
Recovery	Truck Supplies
☐ Tire Chains	☐ Fuel Anti-Gel
☐ Tensioners	☐ Winter Washer Fluid
☐ Chain Repair Links	☐ Basic Tool Kit
☐ Snow Shovel	☐ Spare Filters
☐ Ice Scraper/Brush	☐ Tire Pressure Gauge
☐ Jumper Cables	☐ Anti-Freeze
Tire Chains	
☐ Verify Chain Size	☐ Check Chain Storage
☐ Practice Installation	☐ Know Chain Type For Truck/Route
☐ Inspect Tensioners	☐ Chain Repair Links Available
